A NEW COLUMBUS.

Wherever there is a bad moral smell, there look for Anthony Comstock. New York's narrow bounds no longer limit the ambition of his audacious nose. Like new Columbus, he has started upon a voyage of discovery to the unknown regions of the Midway Plaisance, in search of something to offend his moral

below expectations. Chicago cannot afford to be too particular in regard to With attendance at the Fair so much what she allows or does not allow in the way of attraction for the coy public; but eally, why should what would be gross immorality under the sign of "Armory Hall" and the management of Billy Mc-Glory become an innocuous and instructive exhibition under the sign of there was no cause for siarm, and that "The Street in Cairo" and the manage- their money is safer in the bank than nent of some fakir from abroad?

The native Chicagoese should not give Mr. Comstock too unfriendly a welcome Returns, Exchange List and Al to their mystic shores. He may not be the depositors know this very well, and nice, but as a disinfectant he is useful.
